ORDERS

Art. 1 - Object

Notice of a competition by qualifications and interview announced for the assignment of n. 1 departmental grant for collaboration in research activities lasting 2 year for the Academic Recruitment Fields 13/A1 – Economics - 13/A4 – Applied Economic to the Department of Economics.

Title of the research: “Aging population, active mobility and transport policies”

Research Project: “The research project aims to identify transport policies that could improve the ability of the elderly to move in urban space and to access community and

welfare services. Active mobility and better accessibility to urban places can improve the elderly social inclusion and therefore their health and quality of life. The project, developed by a pool of researchers from three different universities, consists of four main phases: 1) review of the literature and collection of best practices; 2) identification and analysis of some case studies in the province of Varese in urban areas and municipalities with a high rate of aging; 3) direct interviews with an elderly sample, using the stated preferences methodology, to evaluate possible transport policy measures; 4) econometric analysis of data and processing of results with policy implications.”

This research will be held at the Department of Economics of the Insubria University.
Supervisor: Prof.ssa Elena Maggi.

Art. 2 – General requirements

- Master's Degree in Economics and Economics and Management (Scienze dell'economia o scienze economico-aziendali, classi di laurea LM-56 e LM 77 – 64/S, 84/S or equivalent);
- PhD in Economics Discipline.

A similar academic qualification obtained abroad and recognized as equivalent to the Italian qualification by the competent academic authorities.
